

# Welcome to the **accessible Hotel**

Barrier-free and accessible accommodation means:  
Invitingly open spaces, great design, genuine modernity.

Without barriers you will win new guests, generate more  
roomnights and increase revenue potentials.

*On grade exit in  
the accessible rooms.  
Hotel Penzinghof,  
Oberndorf in Tyrol*

*You seem to really enjoy your stay?*

*Yes! It is fantastic. I just love these fine, comfortable details. Promise that we will return.*

Everybody wants to travel to beautiful locations, stay in exceptional hotels - and subject to taste and requirements enjoy an elegant, sporty or informal hotel atmosphere.

Accessibility is  
equally sustainable, comfortable and aesthetic.

*"Our guests adore this  
accessible and level comfort."*

Christine Lindner,  
Hostess Hotel Penzinghof,  
Oberndorf in Tyrol, Austria

*"I am not aware of any better  
solution. I can highly  
recommend the ALUMAT  
magnet double seal system."*

Kornelia Grundmann, graduate engineer,  
Consultant for accessible hotels and  
authorised expert for accessible building.

*"Our guests, employees and  
myself are equally enthusiastic  
about these level passages."*
